

## Giving Back to the Community to Those in Need!

If you are able, you can help so very many in need by donating food supplies to these food pantries or making monetary donations. The organizations below operate food pantries in our area. In some cases, like the South Brunswick Interchurch Council Food Pantry, they consult with dietary and nutrition specialists and have volunteers go out and purchase foods to meet the many varying food requirements for those in need. A monetary donation is preferred to enable the purchase of the needed food items.

If you would like to give back to the community to help those in need and make a monetary or food donation, or volunteer, it is recommended that you call one of these or other organizations in advance to determine what their specific needs are, and when and how they are receiving donations or accepting volunteers.

Thank you in advance for your generosity! People helping people! Stay safe and be well!
