District

1. District Commanders should be completing their Post Inspections and 1st round Canteen/Bingo inspections. Send them to the State Inspector, Jeff Friar inspector@vfwnc.com.
2. District Commanders should be prepared for their District Inspections by the Department Representative at your next District Meeting. If you have not been inspected yet, please ensure you have all necessary information for the visiting Department Representative.

3. **Expiring officers list.** If a District or Post officer's membership dues expire, they will be removed from office and cannot hold office again until the following year.
4. **The attached sheets show which districts and posts are missing items. Please contact the State Quartermaster Chuck Slater if there are any problems with sending in the needed information. Every Post listed on the sheet is missing their 3rd quarter audits and any column that has "MISSING" listed means either the 2nd quarter audit is missing and/or QM bond is unpaid.**

Post

1. Posts are reminded they only have to put in one report per month. The online reporting system at www.vfwnc.com is up and running again so please input your reports there.
2. **Please see the attached sheets to see if your post is missing anything. If so, please remedy the situation as quickly as possible.**
3. Post Quartermasters are responsible to keep track of Post Expiring Member lists. It is important to keep up with your expiring members and not let them disappear and remind them to pay their dues.
4. Post Quartermasters have access to relocated, expired and expiring members lists online. Please use these lists to help build your membership. There are over 4,000 VFW members who live in NC that are members of out of state posts, reach out to them and invite them to your post.
